

Algorithm

```
graph BT; localSearch[localSearch] --> Algorithm[Algorithm]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Algorithm'. The bottom box is gray with a black border and contains the text 'localSearch'. A blue arrow points vertically from the top center of the 'localSearch' box to the bottom center of the 'Algorithm' box, indicating that 'localSearch' is a component or sub-algorithm of the 'Algorithm'.

localSearch
